**GCSEs:** 10 subjects at Grade 9

- Economics valedictorian prize-winner for top performance

## EMPLOYMENT HISTORY

Fixed Income Strategist Summer Analyst, Pacific Investment Management Company (PIMCO) Jun — Aug 2023

- Summer analyst on the short duration fixed income, emerging market debt, and ESG bond investment strategist/specialist desks
- Completed a rigorous fixed income training programme, covering theoretical fundamentals on credit derivatives, securitised products, and yield curve strategies – alongside practical skills in Bloomberg, Excel, and portfolio risk
- Produced sovereign research reports on 36 emerging market economies to generate talking points for investment professionals – covering inflation and rates expectations, sovereign debt sustainability analysis (DSA), and sociopolitical commentary
- Delivered two presentations to a group of strategists, account managers, and portfolio managers – analysing the macro outlook and performance of the firm's low duration strategies, and delivering a mock client presentation on the \$3.3bn Global Bond ESG fund
- Offered full-time position on the 2024 Graduate Programme on account of outstanding performance

Growth Strategy and Business Development Analyst, Upfront Diagnostics Aug 2022 — May 2023

- Intern with a Series A-stage biotech startup, alongside full-time study, as the first external hire in a team of six
- Built DCF model from scratch (incorporating sensitivities, Fama-French discount rate, and scenario analysis) to justify pre-money valuation – and conducted precedent transaction analysis with CapIQ to justify exit multiple and projected IRR
- Produced and updated pitch decks, supporting team during roadshows with potential investors
- Strategised with co-founders in formulating regulatory and marketing strategy, conducting competitor and industry analysis
- Generated funding leads with life sciences investors, implementing a roadmap in preparation for a seven-figure raise

Economic Research Summer Analyst, Chicago Mercantile Exchange (CME Group) Jul — Sep 2021

- Three-month summer internship in the Economic Research division, producing thought leadership for key stakeholders
- Published two reports on [American housing inflation](#) and [Chinese manufacturing exports](#) – and presented findings to cross-functional teams
- Conducted econometric and statistical analysis with Microsoft Excel to produce macroeconomic models and charts

## SHORT-TERM INTERNSHIPS

Spring Week, Blackstone Apr 2022

- Part of a cohort of 30 selected from over 1,300 applicants to form part of the inaugural Spring Week class
- Delivered a presentation and contributed towards a comparables analysis on a commercial real estate portfolio company, winning first prize over four competing teams

## LEADERSHIP

- Partner and Chapter President of the MergerSight Group – leading a team of analysts to report on multi-sector M&A deals
- Actor and producer in the Cambridge student theatre scene – with most successful production attracting over 750 attendees
- Committee member on the Innovation Forum, a global biotech accelerator, part of a team responsible for launching the Cambridge Pre-Accelerator programme
